Title : Anatomical Device

Primary Examiner Michael Brown

Docket No. BAG-01-001  
Art Unit 3764  
Filing Date 08/03/2001

Sir:

Applicant filed a 30-day extension [37 CFR] dated 12/15/04 for \$60.00. Applicant received cancelled check paid to USPTO ,No. 7403 dated 12/15/04 written to account of Pleasing Products on Midstate Bank & Trust. Primary Examiner stated in Advisory Action [dated 2/18/05 on 1.a.] that period for reply expires 3 months from the mailing date of the final rejection. Perhaps Primary Examiner was unaware that applicant had filed the 30 day extension 37 CFR on Dec.15, 2004, therefore applicant believes that his response to Office Action dated January 17, 2005 should be allowed in view that USPTO accepted \$60.00 check and cashed it in payment for applicant's 30 day extension which was done in good faith as USPTO rules allow.

Very sincerely yours,
